Description

A lovely set of 6 antique silver fruit knives in their original fitted box. They are good quality pieces with sterling silver blades and mother of pearl handles. Each piece is fully hallmarked for Sheffield, 1933, and the maker Harrison Brothers & Howson. They are in excellent condition with clear hallmarks, in fact they don't look like they have ever been out of the box. They come in their original silk and velvet lined box, with fitted sections to hold each knife. The outside of the box is covered in a black material with gilt edge and a press catch to keep it closed. The box is in good condition and the interior is very clean and tidy. There is some slight wear along the silk hinge material but nothing detrimental. Approximate Measurements : Length of Knife : 6 1/2" (16.5cm) Box : 8" (20cm) x 6" (15cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
