Description

A good example of a Sterling Silver sauce boat with an elegant curved handle, wavy rim and three hoofed feet. It is stylish and good quality, weighing approximately 97g. It is clearly hallmarked for Birmingham, 1926, William Hutton. It is in very good condition for its age. There are no major damages and it displays well. There are some faint internal surface marks and some minor dinks on the rim but nothing detrimental. It has been gently cleaned and polished and is ready for use.
