A stunning antique burr walnut slim chest of drawers, made in England and dating from around 1910. This is beautifully designed and it is of superb quality. It is a useful slim, nice and slim, with plenty of storage space. It sits on bracket feet and has a cross banded top with chamfered edges. The burr walnut grain patterns and colour tones are gorgeous. We have had this stripped and re-polished, the condition is excellent for its age. There is some minor historical wear remaining here and there beneath the polish. Width – 18.5 inches , 47 cm Depth – 13.5 inches , 34 cm Height – 36 inches , 92 cm
