Description

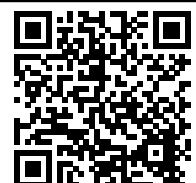

Superb Victorian 18ct Gold Diamond Ring. This pretty ring has a graduated double row with five diamonds on each row. The diamonds are very bright and lively and of superb quality, the two central diamonds are 3.5mm and the next four are 3mm and the four to the sides are 2mm. Total diamond weight is 0.75ct and diamonds set in a very pretty gold claws setting in double row shape with pretty carving to the shoulders. Really pretty and classical early ring full of Antique charm. The head of the ring measures 7mm x 16mm. There are hallmarks for 18ct gold and Chester but the date letter is too worn to read but the ring certainly dates to the Victorian era. The ring is in excellent condition for its age, the shank is in strong and in very good condition, there are no chips, nibbles or cracks to the stones. Size UK M.5 and U.S Size 6 1/2 the total weight is 4g. Please Check Sizes And Weights As JEWELLERY IMAGES ARE ENLARGED. Dark areas are reflections on the gold.
