Description

19th Century Austrian Folk Art Hand Crafted Birds A delightful collection of 4 hand-crafted folk-art birds perched on 2 pieces of natural fungus. The birds are made from sections of found tree sections and shaped into birds with metal pins at their base so can be removed and moved into different positions on the supporting fungus sections which can be mounted to a wall. Complete one-off examples and highly decorative. Size in inches: H 7" x W 7" x D 5" (approx.) Origin: Austria Date: Late 19th Century Item Condition: Aged These are naturally aged items with surface wear and a deep patination. Both pieces of fungus have supporting brass hanging hooks to the reverse. The birds have old metal pins at the base so can be removed and repositioned as you wish. These are naturally aged items so please expect this to reflect in their condition as we have tried to show. Please review all the photos provided as part of this advert, close-up photos have been provided to show its condition of loss of surface detail and paper in more detail. We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid...
