## Description

A stunning, fine and impressive antique 4.23 carat blue sapphire, 1.51 carat diamond, pearl and platinum bracelet; part of our diverse antique sapphire jewellery collections. This stunning, fine and impressive antique bracelet has been crafted in platinum. The articulated feature setting is ornamented with four graduating arabesque-shaped framed designs incorporating a total of forty collet set Old European round cut diamonds. Each framed setting alternates with an impressive pearl, accented with two protruding collet set oval faceted cut sapphires. This anterior setting terminates to either end with a further collet set sapphire, completing the design. This pearl and blue sapphire bracelet with diamonds secures with a push fit clasp to the reverse via a platinum fully articulated, expandable spring-loaded strap composed of elongated links; the bracelet benefits from the additional security of a hinged safety catch. The interior of the strap bears the hallmarks for platinum (PLAT, B.P.AL BRITANNIC), in addition to the registration number '338886' and patent details 'PATENT 24396/06'. This antique sapphire and pearl bracelet has been independently tested using state...
