Depth = 30 cm (11.8")

Description

A large 19th century Parisian porcelain centre piece depicting the four seasons. The Centre piece is finely detailed throughout and in good condition with only some minor chips and losses and a couple of small firing cracks which naturally occurred when the piece was made. The underside bares the Meissen makers mark with a blue crossed swords and a dot 1763-1773, however this is a 19th century Parisian copy of Meissen.
