Description

Quality Vintage Suitcase - Leatherbound - English Made A fabulous English made suitcase originally purchased from the famous Oxford department store Elliston & Cavell. Dating from c1900 this case is still in great working order and could easily be used today. The build quality is superb with top-end straps, locks and catches. The case benefits from old travel stickers and signage which add significantly to the vintage feel of the piece. It certainly would be fun to use as luggage and become a real talking point. The trunk has a wonderful colour and the interior is in good order.
