Description

This superb pair of antique French bedside cabinets which have been made from satin walnut which is a lovely warm color. The cabinets are super quality and are made from satin walnut and have been very nicely carved as can be seen from the photographs. In addition to being used as bedside cabinets these could equally be used as lamp stands with useful storage being provided by the drawers. This fine matching pair of bedside cabinets have a lovely shaped upstand to the sides and rear. Below are three drawers with pretty decorative brass handles then to the outer edge is lovely carved detailing. The drawers are flanked with carved detailing to the front corners and below the bottom drawer is a lovely carved shell. The cabinets are raised on lovely elegant shaped legs which are carved to the knees and terminate in a scroll which sets them off beautifully. As you can see from the photographs these are lovely elegant cabinets. Please take time to view the superb detailing in these cabinets. DIMENSIONS: The approximate MAXIMUM dimensions are: - 15 1/4 inches (39 cm) wide across legs and 14 1/2 inches (37 cm) wide across top. - 12 inches (30.5 cm) deep. - 29 inches (73.5cm) ...
