Description

A stunning, fine and impressive pair of antique 2.50 carat diamond, platinum and 9 carat white gold set earrings; part of our diverse diamond jewellery and estate jewelry collections. These stunning antique diamond earrings have been crafted in platinum with 9ct white gold fittings. The pierced decorated cluster settings of these earrings feature a stunning claw set 0.57ct and 0.53ct feature Old European round cut diamond. The feature stones are each encompassed with nine claw set Old European round cut diamonds, completing the cluster design. These floral diamond earrings secure to the reverse with a 9ct white gold French hook style fastening; if required, these earrings could be converted into stud fittings. These earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum and 9 carat gold. These impressive earrings are supplied with two IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. The goldsmith has finely selected these diamonds to create an evenly matched display. Floral cluster diamond earrings are an el...
