Description

Pair of 19th Century fine quality terracotta urns and pedestals in the Greek Neoclassical style. A really handsome pair of terracotta urns standing on original pedestals. For ease of movement, each set comes in three parts as photographed, and stand together firmly when erect. They have a good patina with normal wear and tear but no breaks or cracks, and are in good condition. These would look really attractive on any patio or either side of a gate or patio with flowers or plants. Dimensions: H: 110cm (43.3") Diameter of urn: 43cm (16.9")
