Depth = 74 cm (29.1")

Description

A 19th-century French footstool with turned ebonised legs, upholstered in an Andrew Martin fabric. The textile features a woven geometric pattern in warm earthy tones, including red, blue, and beige, giving it a distinctive character. The structured seat provides a comfortable resting place, while the tapered legs add a refined contrast to the richly patterned fabric. A versatile addition to both traditional and contemporary interiors.

Internal Ref: 45983
