Description

A superb Anglo Indian teak planter's chair with extending arms, Circa 1890 in date. Handcrafted in teak with elegant form it has been reupholstered in dark brown leather with brass studs. It is of pegged construction with boot planks and classic turned front legs. The arms extend out to form leg rests, they were designed for use on verandas in 19th Century British colonial plantations. There is no mistaking the superb quality and distinguished design of this comfortable arm chair. Condition: In excellent condition having been beautifully cleaned, polished waxed and reupholstered in our workshops, please see photos for confirmation.
