Description

Finding a fancy coloured old cut diamond is a rare event, and even rarer when it's as bright and vibrant as this. The old European cut in the centre is mounted within a white gold box setting, and displays a light but bright lemony yellow. Two pairs of icy white baguette cut diamonds are set in the step-down shoulders, to a nicely substantial D-shaped platinum shank. Accompanied by a diamond grading report from IGR. Cut: Old European in the centre and baguette cuts in the shoulders. Colour: The centre is light fancy yellow. The diamonds in the shoulders are G to H. Clarity: VS2 in the centre and VS1 to VS2 in the shoulders. Carat: The centres is approximately 1.00 carat, with a further 0.14 carat (approx.) in the shoulders. Condition: The ring has been fitted with a new band (not by us). Circa: 1950. Size: L (UK) or 5 1/2 (US). Free sizing available. Measurements: The diamond is approximately 6.5mm in diameter. The ring is 7.6mm at the widest point and sits 6.9mm from the finger. Weight: 5.95 grams. Metal: The band is platinum, with British hallmarks. The head of the ring is 18k white gold; tested with a Niton DXL Precious Metal Analyser. Item...
