Description

Early 20th century bracelet with a Bridgerton vibe! Beautifully manufactured with thought to colour and design. The Aquamarine gem stones are a lovely tropical blue each surrounded by four split pearls each. They are all bezel set with a scalloped edge. Also adding to the design, between each Aquamarine a trilogy of split pearls guides the 15ct gold chains between each aqua station. Very pretty yet practical and easy to wear with the rub over setting. Safety catch robust and clicks into place securely. Aquamarine approx: 0.35ct each Length 18.2cm Weight: 9gms

Internal Ref: BC37
