Description

Heals Antique Oak Letchworth Tallboy Cupboard A super quality solid English antique oak tallboy cupboard by Heals of London. Quite rare to find this tallboy from the Heals Letchworth range of furniture. In excellent, clean condition throughout, having two cupboard doors to the top with a solid oak shelf inside, this could be removed if needed. Below are four long and graduating storage drawers, all run smoothly and have the original oak knob handles. Very well made with panelled sides, standing on square legs and having the Letchworth through stiles to the tallboy top. A great example that we haven't had into stock for a long time. Dimensions Height: 155cm (61.51") Width: 91.5cm (36.31") Depth: 50cm (19.84")
