Dimensions

Height = 46 cm (18.1")

Width = 54 cm (21.3")

Depth = 32 cm (12.6")

Description

A charming early 19th century vernacular elm and pine coffer / chest of small proportions. The iron-hinged elm lid sits above a pine body terminating in arched legs. Lots of knock and bumps throughout and signs of historic woodworm (fully treated in abundance of caution). Later lock plate. The elm lid has a warp which means it is lifted slightly to one side when closed. A delightful little piece that is full of character. Dimensions:- Width: 54cm Height: 46cm Depth: 32cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
