Description

An early George V era silver photo frame with clear hallmarks for Birmingham 1914 and makers mark for W J Myatt & Co. This impressive silver frame takes inspiration from Art Nouveau styling with its sinuous sweeping outlines, arched top, inverted arch base and double edging. The frame sets off the image space magnificently. The silver is plain and smooth, reflecting the light, and contrasting well with the curving shape. The frame stands on its original wooden back with original keepers. Excellent condition. Image dimensions 13.5x9cm.
