Description

Superb & Rare early Scottish art glass Monart bowl. Wonderful design and colours. Both bubble glass and multi coloured glass design. Perfect condition. From a private collection of Scottish glass. SIZE; 12" diameter by 3 1/2" high CIRCA; 1925 Monart glass was all started by Salvador Ysart and Isabel Moncrieff and Ysart's three sons in the early 1920's in Perth Scotland. The three brothers; Vincent, Augustine and Salvador then split up from their father and formed Vasart Glass (originally named Ysart Brothers) in 1947. The two firms then both produced similar style of glass simultaneously for a period before Vasart glass became Strathearn Glass in 1965. We can only put early pieces of Monart glass on here because of the dateline of 1930 for glass on Sellingantiques. For the full range of Monart, Vasart and Strathearn glass please visit our own website.
