Description

An absolutely stunning pair of large Art Deco period mirrors. They were made in England, they date from the 1930's. The quality is outstanding, they are a very rare and impressive pair. They have a fan shaped design, with clear and peach mirrored glass, and a little high quality etching on some of the mirrored plates. They are mounted on thick ply board, and should be professionally screwed to a wall for installation. The condition is excellent for their age, with only some extremely minor wear here and there.
