Description

An outstanding quality Edwardian decorative solid brass framed chandelier with the original domed alabaster shade; polished and rewired ready for use c.1910. Circular polished and embossed brass frame supporting the square section scroll design arms, each with acanthus leaf design mounts to the ends attaching to the frame. The tops of the arms with small complementing decorative castings. Matching acanthus leaf design ceiling fitting to the top, with hanging loop and central tube supporting the twin brass lamp holders, which sit inside the shade. The original polished alabaster shade with superb warm cream and brown veined effect giving off a good light and decorative finial to the base. Polished and fully rewired with new brass lamp holder taking BC bulbs along with 1 meter of flex for lower hanging if required (chain can be provided). Presented in immaculate condition ready for use. Keep up to date via Instagram - sturmansantiques. Measures 18" diameter x 24" drop.
