Description

This is a totally original and near mint condition example of a gents Longines Flagship from 1965. The original dial is in mint condition; it has not been restored in any way, it has the flagship emblem on the back of the case which is bright and crisp. The movement is the calibre 343 fully automatic with date. The case size is 35mm diameter without the crown. As you would expect, the watch is fully marked on the dial, movement, and case. A new glass has been fitted. There is a choice of straps; please let us know your preference; we keep most things in stock. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects; it's one of the best examples we have seen. This is a very nice alternative to an Omega Seamaster. We offer a highly personalised and bespoke service. If you would like to buy or reserve this watch, please telephone us on 01726 813155 or email foweyshop@gmail.com. We can then discuss strap options, delivery dates, and other personalisations to suit you. We accept payment by bank transfer, cheque, debit/credit card, and PayPal. We are open 9am - 9pm 7 days a week.
