Antique Alphabet Set - with bone letters

Price

Sold**Item Reference: SA1128324****Date of manufacture: 19th Century**

Description

A lovely 19th century Mahogany spelling alphabet box with a sliding lid. The lid has an inset bone tile with ABC on it. Inside there is a divided interior for doubled sided bone tiles. Each tile has a capital letter on one side and a lower case on the reverse. These spelling tiles were used for teaching children. There are at least 3 of each letter, most have four, the vowels have more again. The box measures 23.5cm w x 14cm d x 3cm h. C1850
