Description

Art Deco Modernist Beech and Studded Leather Reading Chair C1930. Just back from the workshop for an even colour wax polish and leather nourishment to the seat, a minimal conservation and check for all joints. A superbly stylish, pure Art Deco with a modernist design influences, beech armchair, reading or smoking chair with brass studded, rounded leather back, very original and complete. An inspired Art Deco chair of excellent design, showing characteristics of the Art Deco into modernism, elements of Charles Rennie Mackintosh etc., a splendid chair of considerable design and aesthetic appeal. The chair is completely original, showing some peg joint construction and original studded leather rounded back, whilst the leather is original and no tears, it was dry and now fed with leather nourishing treatment, likewise the beech wood arms show some rubbing which you'd expect we have undertaken minimal intervention with an even wax polish. Please note the chair comes with its original squab seat cushion with original 1920s fabric. Dimensions Height 69cm Width 57cm Length 45cm at front to back base of legs, the top rail extends a little further. Please request more phot...
