Description

A 1968 Omega Seamaster Cosmic, Meister double signed. A silvered dial, with a brushed finish, matching the style of the case. This is an excellent example of the 'Mesiter' Seamasters, which were signed by the well know Swiss boutique during the 60's adding an extra level of rarity. The dial has a crosshair design, with printed numerals and minute track. Applied steel numerals with a central black strip to the quarters with a date aperture to 3 o'clock. A slim stainless steel case with a brushed steel finish. The case back is signed with the Seamaster 'hippocampus' and the case reference. Original Omega winding crown. Case reference 136.017. This watch is powered by a 17 jewel caliber 613 Omega mechanism, featuring a quick date change setting. The 26m serial numbers date this watch to 1968. Case width (excluding crown) 35mm Case height 38mm Case depth (including glass) 12mm From Kembery Antique Clocks Ltd you can expect a genuine wristwatch supplied with a presentation box that is in full working order and sold with 12 months guarantee.
