Description

A superb French Large Size Farmhouse Kitchen Dining Table. From Normandy region and made of Cherry Wood. Dating to the late 18th Century. These tables are incredibly scarce now and even scarcer in this length and depth. It retains its lovely slightly worn original colour and patina and the top is made from 3 planks, a great feature, and is full of character. There is a large drawer to one end which does have a little wear on one side but this does not affect its use. We are pleased to offer this rare antique table in very good original condition for the home. Length 257 cm Depth 91 cm Height 77 cm Knee Clearance 57 cm
