Description

A 19th-Century Continental Armorial Giltwood Wall Mirror. Of good proportions and colour, the mirror features a beautifully decorative scrolling acanthus leaf frame. The upper section showcases a central armorial shield to its crest. In terms of condition, the mirror is in good shape for its age. The frame has a few small nibbles, as shown in the photos, and there is a small loss to the upper left corner, also depicted in the photos.
