Description

A lovely leather stationery box with ornate brass mounted corner pieces. The lid opens up to reveal a series of racks for holding papers and letters and the lid is lined with pretty green silk. It comes with its original working key. It is in good original condition and there are no major damages. There are some general signs of age and use and some wear to the leather in places but the interior is clean and tidy and overall it displays well. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
