Item Reference: SA1128967

Date of manufacture: 1890

Dimensions

Height = 13 cm (5.1")

Width = 7 cm (2.8")

Depth = 7 cm (2.8")

Description

A lovely pair of vaseline glass posy vases from the late Victorian era. These gorgeous examples are of organic bulbous form with a flared undulating rim in white, fading to a striking yellow/green uranium base. The bodies have naturalistic 'thorns' to the bodies in optic ribbing. Under UV light the uranium is bright and striking. An eye catching find, these lovely pieces would make an excellent gift idea being both practical and decorative.
