Description

A superb hand made Anglo Indian antique solid sterling silver bowl. It is unmarked but tests as high grade silver. I would date it to c1900-1920. It has been superbly designed and lightly gilded inside. It is in super condition being free from dings holes splits and repairs. It measures approx. 4 inches (9.8cm) wide by 2 inches tall and weighs 118 grams. A very good quality piece.
