Description

A very beautiful English Victorian solid sterling silver two handled cup or bowl. It is hallmarked for London 1891 with a maker being GMJ. It has been superbly designed being planished and has two circular handles. It is in super condition being free from dings splits and repairs, no engravings. It measures approx. 4.5 inches (11cms) across including the handles and 2.75 inches (7cms) across excluding them by 3 inches (7.2cm) tall and weighs 115 grams. A nice quality well made piece.

Internal Ref: 34063
