Description

A super quality unusual Swiss solid silver coin set letter opener. It is hallmarked with 800 standard mark along with the Swiss maker being Jezler. I would date it to c1900s. It has been superbly designed with the terminal being set with a 5 Batz coin dated 1809. It is in superb condition being free from dings splits distortions and repairs. It measures approx. 9.5 inches (24cm) long by 1.25 inches (3.2cm) wide and weighs 78 grams. A very well designed rare and unusual piece.
