Description

A stunning, fine and impressive pair of antique 2.25 carat diamond and 18 carat white gold cluster earrings; part of our diverse diamond earring collection. These stunning antique diamond earrings have been crafted in 18ct white gold. The pierced decorated cluster settings of these earrings feature a stunning collet set 0.29ct and 0.26ct feature transitional modern brilliant round cut diamond. The feature stones are each encompassed with a scalloped halo incorporating nine pavé set transitional modern brilliant round cut diamonds, completing the cluster design. Each cluster setting suspends and articulates from a single collet set diamond to the apex, completing the design. These diamond earrings, for pierced ears, secure to the reverse with a post and hallmarked 18ct white gold butterfly fastening. These stunning diamond earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. These antique diamond cluster earrings in white gold are supplied with two IDGL diamond grading certificates for the feature stones, in addition to an IDGL diamond grading report card.
