Description

This memorising Antique Opal necklace features two of the most spectacular Natural Opals we've ever had, set in 9ct gold on a 9ct gold chain. These opals are breathtaking, with the smaller opal measuring 1.07ct (approx) and the immense drop opal measuring a huge 6.27ct (approx). Opal is considered the birthstone for October and is thought of as a stone of luck and communication. Natural Opals in this size with as much colour are fire as this is very rare and extremely sought after. This necklace is a must-have for any serious jewellery collector. STONES Opal METAL Pendant - 9ct Gold Chain - 9ct Gold MEASUREMENTS Necklace measures 16" in length Pendants together measure 4.4cm x 1.3cm Smaller Opal measures 9mm x 7mm Larger Opal measures 17mm x 13mm The chain measures 1mm across HALLMARKS Pendant - 9ct Chain - 9C WEIGHT 4.97 grams CONDITION This Vintage Opal pendant necklace is in very good condition. Although the chain is light, the links remain free from damage and wear. All the stones are secure and show breathtaking colours as they catch the light; there is a tiny graze on the top of the large opal, which is only noticeable very close up at certain angles, but I ...
