This chest is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom. The chest stands on square back legs and round turned front bun feet supporting the main section. There are four large drawers to the bottom and one pretty top drawer with grooves. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. There are turned columns to the sides which is a nice feature especially if you are going to paint it. This is a cracking item of furniture. Please buy with confidence.
