Description

Very elegant and well proportioned late 19th century French Louis xvi style window seat or piano duet stool, circa 1880 to 1900. Great as a window seat, piano stool, hall bench, end of bed stool, or just to use for extra seating in a living room when required. The powder blue paint with gilt highlights are a great combination, with the seat being in a vintage water marked powder blue silk to compliment. Please note, there is a very small (2mm) dark spot on the vintage silk which may or may not concern you...or you may choose to re upholster anyway, so do get in touch and I can assist with this if you like. Very decorative piece and certainly useable too, happy to seat two adults when required. Measuring: 18 1/2 inches or 47 cm high 17 inches or 43 cm deep 39 inches or 99 cm long
