## Description

This charming GEORGIAN CANED BERGERE CHAIR was made for a Child and dates from circa 1830. It appears to be the original cane which now has a lovely, mellow colour. The CHAIR is in original, unrestored condition. The missing cross stretchers between the legs suggests it was once fixed on a stand to enable the child to reach the grown-ups' table. An eye-catching little CHAIR that displays so well. Height: 23 inches (58.5 cm) Width: 15.5 inches (39 cm) Depth: 15.5 inches (39 cm) Delivery in Mainland UK is included. We ship Worldwide and are happy to quote for Overseas Delivery on request.
