Description

A late 19th century (circa 1900) camphor wood travelling trunk of good patina (colour). This camphor wood trunk consists of brass trim, plain brass plate to the top, recessed brass handle to the front with escutcheon plate, lock and key with carrying handles to either side. The top opens to reveal a good storage area with candle holder, the camphor scent known for keeping moths away so is ideal for clothes storage. This trunk is in very good original condition for age, is of stable construction and can go straight into a home - it would make an ideal coffee table or great for general storage too. Size: Height: 17.5" / 44.5cm Width: 35.5" / 90cm Depth: 18" / 45.75cm
