## Antique Wingback Armchair - Wing Back Bergère

Price

**Sold****Item Reference: SA1129903****Date of manufacture: 19th Century**

## Description

A very comfortable Victorian Wing Chair from the mid 19th Century upholstered in a charming and decorative floral linen type fabric, upon mahogany turned legs on solid brass castors. The shaped and carved front arm panels add extra elegance and unique details to an armchair which is perfect for reading or relaxing. Although not newly reupholstered, the condition of the chair structure is sound and the fabric in good usable condition. Usual and expected marks and scuffs to the legs. Dimensions: 106cm max height. 83cm max depth/overall measure taken with the chair against a wall. 79 max width 45cm seat height
