Description

Technical Description An Art Nouveau gilded glass and brass candelabra dating to c1900. The candelabra has three crown capitals for the candles, flowing brass tulip leaves and two cranberry ribbed glass tulip buds. It sits on a light cranberry wrythen ribbed and domed foot in the shape of a petal and which is gilded around the rim with flowers. A stunning period piece. Date & Origin England, c1900. Condition Excellent, no chips, cracks or restoration to the glass, the brass is showing age-related wear and could be cleaned. Dimensions Height: 22.5 cm Diameter Foot: 13.3 cm

Internal Ref: 2025021409
