Depth = 53 cm (20.9")

Description

A 19th Century mahogany bow-front chest of drawers from around 1850, featuring four graduated drawers set within a curvaceous frame. The drawers are fitted with circular brass handles and escutcheons, complementing the warm patina of the mahogany. Raised on splayed feet with a gently shaped apron, this well-proportioned piece showcases fine craftsmanship and an elegant silhouette typical of mid-19th-century cabinetmaking.
