Depth = 54 cm (21.3")

Description

A 19th-century continental mahogany gentleman's chest featuring a cupboard at the top and four drawers beneath. The figured mahogany displays a rich patina, with panelled detailing on the doors and a shaped apron at the base. The drawers, each fitted with turned wooden knobs, provide ample storage, while the upper cabinet offers additional concealed space. Resting on bracket feet, this well-proportioned piece combines elegance with practicality.

Internal Ref: 46591
