Description

Pair of early C20th Italian gilt-brass mounted alabaster column table lamps . Smart pair of classically-inspired column lamps raised on square stepped block plinth bases . The tapering column shafts and bases mounted with bands of decoratively cast gilt-brass . The tops having turned capitals and fitted with brass bulb-holder switches. The creamy-white alabaster having achieved a polished surface and lustre , with no damage or repairs. Restrained design and classical elegance to provide symmetry to an interior scheme. In need of re-wiring, which can be completed to client's specifications. H 20" (inc. fitment) W 5" D 5" Italy c.1920
