Description

A handsome and very stylish two-tiered drinks trolley or bar cart featuring swan neck design on the handle. The two tiers made with solid oak, with a black finish. The top tier with brass gallery railing and finials. The brass with a most pleasing patination. Replacement although period castors; one wheel doesn't move as freely as others. If regular movement of the trolley is required, perhaps modern replacement castors would be beneficial. There is a £50 delivery contribution on this item to the UK.
