Description

A good example of a 19th Century Japanese Imari pattern bottle vase that has been converted to a table lamp. It is a good quality piece and has been rewired to modern standards to take a standard bayonet bulb. It is in working order with a valid PAT test certificate. It is in good condition with no major damages and displays well. There are some signs of age and use but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
