Description

Beautifully constructed with a solid walnut top. The underside is stamped W N Hall. Until a couple of days ago I hadn't heard of William Hall. However the ever excellent resource that is the Furniture History Society and its online version (BIFMO) have an enlightening article detailing his work for Collinson & Lock, Kenton & Co., Voysey and Ernest Gimson. Recorded examples include a macassar ebony writing table made by Hall for Kenton & Co. held in the collection of The Metropolitan Museum of Art in New York. Reliable transport throughout the UK can be easily arranged at cost price. Please let me know if you would like a quote, or have any other questions.
