Description

A Victorian cut silhouette portrait of a gentleman wearing a top hat and smoking a cigarette/cigar. Brass oval mount and convex glass within ebonized square frame and original acorn hanging ring. The frame has a back support for displaying the portrait on a surface but the support is not working hence an additional hanging ring has been added to be able to hang it on any vertical surface. Slight marks to the bottom right and top right of the frame and some not disturbing dings to the brass mount.
