Description

A good example of an antique match holder. The holder itself is ceramic with a rough finish around the top to enable striking and the base is decorated in a traditional Art Nouveau style design in Doulton's trademark blues and browns. It is stamped on the base with a maker's mark for Royal Doulton and '3120'. It is in good condition for its age and displays well. There are some general signs of age and use but nothing detrimental and no major damages. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6
