Description

A superb large solid sterling silver rimmed hunting beaker. Its rims are silver, unmarked, but tested. I would date it to the mid to late 19th century by the style of dress. It has been engraved with a detailed stag hunting scene. It is in superb condition being free from dings splits holes chips cracks and repairs. It measures approx. 4.75 inches (12cm) tall by 3.5 inches (8.5cms) across the rim and weighs 192 grams. A superbly made very high quality piece.
