Description

An Art Nouveau highly decorative ink stand, marked on the back No 3 on one side and the Registration Number 503528 along the middle, dating it to Circa 1907. The tray has four little feet underneath, the two at the back deliberately taller than those in the front for easy use. It still has the original glass ink pots and lids. The stand measures approximately 25cm across and 15cm in depth, the heavy well made ink pots are approximately 8.5 in height with the lids on, and 6.5cm around each side. The thick glass is curved at the edges - see photos 4 and 6. The metal stand is solid, heavy, and dark in colour and the whole item is in good condition. Postage and packing within the UK mainland only is included in the price and for outside areas or delivery abroad please contact us for a quote. Thank you.
